I have read and understand this broken appointment procedure rule.

HUSKY OFFICE POLICY

December 1, 2012

We are pleased to be able to offer Husky Dental Services for your children. As a participating provider, we must make you aware of the following office policies:

1. Your children are being seen as valued patients in our practice. ***We expect that you will be on time and keep your appointments.***
2. We **will not** reschedule your children for additional appointments in our practice if you are late, cancel the day of your appointment, or do not show up for even one appointment.
3. Since benefit eligibility can change at any time, we will not schedule your child's next cleaning appointment in advance. Please be sure to mark your calendar and call us when your child is due and we will need to verify eligibility of benefits at that time.
4. Any non-covered Husky services will be your financial responsibility and will be due in full at the time of service.

Childrens Names:

I understand the Husky Office Policy terms and agree to abide by them. I will call the office at least 24 hours in advance if I need to change or cancel an appointment.

CANDLEWOOD DENTAL CARE INFORMED CONSENTS

It is important to us that you understand the treatment we are recommending and any procedures we may, with your agreement, perform. We want to involve you in all decisions concerning procedures you may need. We want you to understand that there is a risk associated with dental procedures and want to be sure your questions have been answered.

Dental treatment and procedures are not to be taken for granted as being routine or without risk for complications. As with all medical treatment, including dental treatment, there are no guarantees that the results will be as planned. When dealing with the human body there are potentially many variables, some predictable and others are not. Complication rates in dentistry are low but unforeseen complications may arise. Whenever drilling is involved, even a simple, routine procedure can lead to pulpal (nerve) problems, abscess, fractured tooth, and/or post treatment pain to biting or to temperature extremes (hot and cold). It is important that you fill out your medical history as completely as possible and inform your provider of any medical conditions or dental concerns.

I HAVE READ, UNDERSTAND, AND CONSENT TO DENTAL TREATMENTS.

PATIENTS WITHOUT DENTAL INSURANCE:

Patients without insurance coverage are required to pay in full for services as rendered unless other arrangements are made in advance. We accept cash, checks, Visa, MasterCard, American Express and Discover. We offer our in-house discount plan, the Smile Savers Club and offer 6-12 month interest-free financing plans through CareCredit.

PATIENTS WITH DENTAL INSURANCE:

We will submit charges and pre-authorizations electronically to your dental insurance. **You will be asked to pay your deductible, your portion of charges, and for non-covered procedures the day treatment is rendered.** We will estimate your responsibility as closely as possible but until we receive insurance payments, it is just an estimate. We will assist you in receiving payment from your insurance; however, **you are responsible to fully satisfy charges regardless of insurance benefits or payments.** It is your responsibility to know your insurance benefits, including: yearly maximum, amount used to date, and procedures covered/not covered. **If your insurance has not paid after 30 days, the full balance is expected from you and you will be required to obtain reimbursement from the insurance company.**

Your signature on this form serves as a Signature on File for your dental insurance, to be used on all insurance submissions, authorizing the release of information to your insurance company, authorizing payment directly to Dr. Burio/Candlewood Dental Care, and authorizing representatives of Candlewood Dental Care to act as your agent in helping your obtain payment from your insurance company.

OFFICE POLICIES:

***** When you make an appointment we reserve that time just for you. While we understand that unavoidable circumstances sometimes arise, we reserve the right to charge \$45 for hygiene appointments and \$100 for doctor appointments missed or broken without 48 hours notice. *****

***Checks returned by your bank will incur a \$45 service fee.**

***Accounts delinquent 45 days from the date of service will be sent to collections and the outstanding balance will incur an additional 33 1/3 % collection fee plus court and attorney's fees.**

***Your signature grants permission to Candlewood Dental Care or its assignee, to telephone you at phone numbers provided to discuss your account or treatment, leave messages on your answering machines, and/or contact you by e-mail or text (unless you have chosen to opt-out of these forms of contact).**

The above policies apply equally to parents and guardians of minors being treated and minors cannot be treated without a parent or guardian authorizing treatment and agreeing to financial responsibility.

I HAVE READ AND UNDERSTAND THE ABOVE FINANCIAL AND OFFICE POLICIES.

Total Health Questionnaire

Dr. Burio's philosophy is comprehensive oral systemic health. This means that other medical conditions can be linked to your dental health. For example, preterm babies, diabetes, and heart disease are linked to periodontal disease (gum disease).

Did you know that snoring is a sign that something may be wrong? You may have sleep apnea!

This is a major problem that affects over 40 million Americans. This is a sleep/breathing disorder which narrows the airway and decreases oxygen to the brain. As a result of snoring, patients can develop high blood pressure, diabetes, cardiovascular disease or depression AND can be life threatening in some cases.

Do you suffer from headaches/migraines? In many cases these debilitating headaches can be caused by your TMJ and occlusion, or the way your teeth come together.

Both sleep apnea and headaches can be managed by dental treatment. Answer the following questions to help us gauge any underlying issues you may have.

1. Height: _____ Weight: _____ BMI: _____
2. Do you snore or have you been told you snore? YES___ NO___
3. Has anyone noticed you stop breathing during your sleep? YES___ NO___
4. Do you wake up choking or gasping? YES___ NO___
5. Do you feel fatigued during the day? YES___ NO___
6. Have you ever nodded off or fallen asleep while driving? YES___ NO___
7. Have you been told you grind your teeth while you sleep? YES___ NO___
8. Do you wake up with stiffness in the jaw or headaches? YES___ NO___
9. Do you have difficulty chewing, swallowing, or moving your jaw? YES___ NO___
10. Do you have numbness/pain in your face/neck/mouth? YES___ NO___
